UGL-KAEFER JV awarded \$500 million contract with Esso

Sydney: UGL Limited (ASX: UGL) (“UGL”) today announced that it has, in a 50:50 joint venture with KAEFER, been awarded a new seven year General Maintenance Services and Field Managed Modifications contract with Esso Australia (Esso), valued at approximately \$500 million (total JV).

The multi-disciplinary maintenance and minor project services to be delivered include mechanical, electrical and instrumentation, scaffolding, painting, insulation, civil, procurement and planning services.

The integrated services contract covers a number of Esso’s operating facility locations in Victoria including 21 offshore oil and gas processing platforms, 2 onshore plants, a marine terminal and onshore pipelines.

UGL’s Managing Director and CEO, Richard Leupen, said: “This is a very significant win for the company and extends our position as a leading oil and gas maintenance services provider in Australia.

“We are very pleased Esso has chosen us as a key partner on this marquee contract. This win also positions us well to capitalise on a large and long pipeline of oil and gas maintenance projects ahead.”

Mr Leupen added: “Across the group, UGL’s work in hand is now approximately \$9 billion underpinned by a strong pipeline of near term opportunities. Our essential services focus continues to deliver healthy forward workloads, visibility and stability across the group.”
