UGL awarded \$190 million in integrated property and facilities management contracts

Sydney: UGL Limited (ASX:UGL) today announced that it has successfully secured approximately \$190 million in new contract wins and renewals with various government, banking and corporate sector clients to deliver key integrated property and facilities management services in Australia and New Zealand. Key contract highlights include:

- A three year renewal of the integrated property and corporate real estate services contract with the National Australia Bank;
- A four year extension of the property services contract for the Commonwealth Owned Overseas Estate as represented by the Department of Foreign Affairs and Trade;
- A two year renewal of the facilities maintenance services contract with the Sydney Airport Corporation Limited;
- A new five year contract with the Department of Infrastructure & Transport for the delivery of property and accommodation services; and
- A new contract for IHG (Intercontinental Hotels Group) Australasia for the implementation of energy saving initiatives including building management systems, hotel room control systems and lighting.

UGL's Managing Director and CEO, Richard Leupen, said "These recent contract wins within our property services business reflects the momentum we are continuing to build as the emerging leader in global property services. By leveraging our local and global capabilities, we are able to attract new blue-chip clients as well as retain quality projects across our core customer base placing us at the forefront of outsourced property services."
