## Response to media coverage

**Sydney:** UGL Limited (ASX: UGL) notes the article in *The Australian* newspaper today regarding certain claims made by former employee Mr Robert Shibuya.

**These claims of financial manipulation and discrimination are completely baseless, and UGL notes that they are made in the context of a claim for monetary compensation for dismissal by a former employee. UGL intends to defend them vigorously.**

UGL is proud of its track record of honesty and integrity and will take all necessary action to defend the claims and is also examining potential counter claims against Mr Shibuya.
